Helen (Perks) Hutton

Currently living in Mt. Pleasant, a lovely neighbourhood of Vancouver, where I share my household with a lovable goldendoodle - and a steady stream of Airbnb guests from around the world. I have two adult children and one granddaughter. I still have family ties in Oak Bay and will try my utmost to attend the reunion…… but if I don't make it, I wish all of my classmates (the ones I knew well and the ones whose names I still remember) my warmest wishes.
